CGPA: 7.22/10	
Class 12th, Madhusudan Public School, Chakradharpur	2022
Percentage: 61.20%	
Class 10th, SJ DAV Public School, Chaibasa	2020
Percentage: 71.66%	

WORK EXPERIENCE

Data Analyst Intern	Jan 2026 – Apr 2026
<i>Centre for Tribal Technology Development (CTTD), SVNIT Surat</i>	
• Analyzed 50+ years of Surat agri-forestry data (1970–2024) to identify historical trends. • Performed statistical analysis and data validation to track tribal development indicators. • Proposed data-driven policy recommendations for tribal development and resource optimization.	
Data Analyst Associate Intern	Mar 2025 – Apr 2025
<i>Excelerate (Remote)</i>	
• Built interactive dashboards in Looker Studio for learner insights and engagement trends. • Designed charts for KPIs and demographics while using filters to enhance user experience.	

PROJECTS

NYC Taxi Fare Analysis	2025
github.com/Vishwa0611/NYC-taxi-fare-analysis	
• Analyzed NYC taxi data using Python to compare fare trends by payment method. • Proved card payments yield higher fares, supporting revenue optimization strategies.	
AtliQ Sales Dashboard	2024
github.com/Vishwa0611/AtliQ-Sales-Dashboard	
• Built Tableau dashboard using MySQL data to track sales and revenue trends. • Replaced Excel reports with real-time insights for faster business decisions.	

CERTIFICATIONS

- **Financial Reporting Specialization:** Compliance, reporting standards, audit documentation.
- **Data Visualisation (Power BI):** Accuracy-focused dashboards for business insights.
- **Data for Business Analysts (Excel):** Advanced formulas, Pivot Tables, and validation checks.
